**An achievement-driven** professional with more than 2 years.3months of experience targeting for executive level assignments in Maintenance department with an organization of repute.

**PROFILE SUMMARY**

- I know the CNC (TURNING AND MILLING) programming and operation on CNC machine . Also I understand G-Code and M-Code operation.
- I have completed my Advance Manufacturing Technology Through CNC.
- Comprehensive understanding of quality assurance, quality management tools and exposure in implementing quality management systems.
- Proficiency in reading and interpretation of drawings, specification & technical procedures
- Sound understanding of formulating progress reports and providing other status updates to the client and management as and when required
- A fast learner with problem-solving skills and flexible approach having adaptable capabilities towards working in any challenging environment.
- With knowledge and skills in Mechanical Engineering, I will contribute to the success of the organization and to secure a challenging position where I can effectively contribute my skills as Professional, possessing competent Technical Skills.

**CORE COMPETENCIES**

CNC-Turning(FANUC)	CNC-Milling(FANUC)	~Reporting and Documentation
~Root cause analysis / Complaint Management	~ Site Operations	
~ optimizing the cycle time	~ First Level Checking of EVM, VVPAT	

**ORGANIZATIONAL EXPERIENCE****Equipment's Handled:**

- Drill Machine
- Pressure Gauge Meter
- Fusion Machine
- Cutter Machine.
- Hydraulic Squeezer Machine
- Vernier Caliper
- Micrometer

**1. 11 March, 2017- 10 August, 2018****Site Engineer**

Ritika Enterprises  
 Greater Noida, Delhi-NCR

- Laying of MDEP Pipe line Survey.
- Performing Engineering task like Inspection of G.I Riser as well as commercial connection, route survey of MDEP Pipe line,
- Operation and Maintenance of MDPE Pipe line
- Maintenance of Valve Chamber and every type of work related to control room.
- Detection of gas supply leakage.
- Rectification of leakage as well as no gas supply as fast as possible to restore the original conditions.
- Provide customer satisfaction.
- Reduce the accident cases of gas leakage with the help of co-worker.

**2. 1 September 2018 - 28 February 2019****Shift Engineer, (Technician)****Desai Associates O&M Gas Pipeline, Indraprastha Gas Ltd**

I joined Desai Associates on 1st September, 2018 as Shift Engineer over the project of Indraprastha Gas Limited. I was controlling a team of 10 member in Operation and maintenance department for supply of PNG gas supply to Major Industries, as well as domestic house hold. The key role of my, is to provide the customer PNG gas supply without any brake down. Also to maintain the city gas log record. Also to communicate with the third party confidently to tackle any kind to situation like leakage, modification, gas line maintenance without any interruption. The major role of my are given below

- MDPE Pipe line drawing and dimensions.
- Laying of MDEP Pipe line Survey.
- Performing Engineering task like Inspection of G.I Riser as well as commercial connection, route survey of MDEP Pipe line,
- Operation and Maintenance of MDPE Pipe line.
- Maintenance of Valve Chamber and every type of work related to control room.
- Detection of gas supply leakage.
- Maintenance city gas log record
- Regulation of Field Service regulator
- Rectification of leakage as well as no gas supply as fast as possible to restore the original conditions.
- Provide customer satisfaction.
- Reduce the accident cases of gas leakage with the help of co-worker.

**3.1. March 2019 - 16 June 2019****Jr. Technical Officer****Electronic Coperation of India Limited**

I am appointed to the post of **Jr. Technical Officer**, against the requirement of FLC (First Level Checking) activities of EVM and VVPAT. Description of works done by me

- FLC ( First Level Checking) ,
- Commissioning of EVM and VVPAT.
- Symbol loading in VVPAT via SLU .

## COMPUTER SOFTWARE KNOWLEDGE

- MS offices- Excel ,Words
- AutoCAD.
- CNC (Turning and Milling) on Fanuc controller.

## INDUSTRIAL TRAINING

**STEEEL AUTHORITY OF INDIA LIMITED (SAIL), BOKARO STEEL CITY**

## EDUCATION

- B.E in Mechanical Engineering from Globus Engineering College, Bhopal, (MP) Rajiv Gandhi Technical University in 2015 with 74.20%.
- 12<sup>th</sup> from BISSS 8B (CBSE Board) in 2011.
- 10<sup>th</sup> from BISSS 8B(CBSE Board) in 2009.

## PERSONAL DETAILS

Name : Bimal Sharma  
Father's Name : Mahendra Sharma  
Date of Birth : 08<sup>th</sup> Dec, 1991  
Gender : Male.  
Marital Status : Unmarried.  
Languages : English, Hindi.  
Address: Plot 456, Gangotri Bhawan, Man Mohan Cooperative Colony, Bokaro, 827012
