- Post Graduate in Agriculture Extension (BHU) 1994 - 1996
- Graduate in Agriculture Sciences (BHU) 1990 – 1994

## PROFESSIONAL EXPERIENCE

### Project Leader, **Holistic Rural Development Project**

Humana People to People India | Nov 2024 – March, 2025

- Leading the HDFC Bank Parivartan-supported **Holistic Rural Development Project** across 15 villages in Prayagraj, UP to promote sustainable economic security through climate-smart agriculture and entrepreneurship.
- Spearheaded strategic planning, stakeholder engagement, and project execution, ensuring timely achievement of milestones.
- Successfully revived and secured HRDP funding (2024-2027) despite initial rejection, showcasing strong negotiation and advocacy skills.

### Partnership Officer – National Partnership Team

Humana People to People India | October, 2023 – October, 2024

- Developed and secured large-scale partnerships with key stakeholders, playing a pivotal role in expanding the organization's funding base.
- Successfully advocated for and facilitated government subsidies for biogas adopters in Rajasthan—Rs. 11.3 lakhs disbursed to 76 farmers in 2023-24, with additional subsidies secured for 100+ farmers in 2024-25.

### Zonal Team Leader – Tejaswini (Project on socio-economic Empowerment of AGYW (Adolescent Girls & Young Women), a project of Government of Jharkhand supported by World Bank

Humana People to People India | Jul 2019 – September, 2023

- Managed a team of 2,000+ staff across Bokaro, Dhanbad, and Jamtara (Jharkhand), impacting 2.5 lakh AGYW through 2898 Tejaswini Clubs.
- Led socio-economic empowerment programs, improving market-driven skills training and secondary education completion rates.
- Successfully coordinated with government bodies (JWDS, DWCDSS, World Bank) and district authorities for smooth implementation.

### Biogas & Renewable Energy Expert | Consultant

Humana People to People India | January, 2010 – June, 2019

- Designed and implemented biogas projects in Rajasthan, leading policy advocacy and subsidy mobilization with MNRE, Government of India.
- Developed training manuals and standardized methodologies for large-scale biogas adoption, clean energy access, and agro-environmental sustainability.
- Built strong networks with government agencies, donors (UFF Finland, Letz Dream Foundation), and CSR partners to ensure funding and long-term impact.

## Project Coordinator – Water Conservation & Agro-Livelihoods Projects

Humana People to People India | June, 2005 – December, 2009

- Led multiple projects on water conservation, soil management, and community-based groundwater recharge, collaborating with GAIA Movement, Toyota Small Grants, and CGIAR.
- Supported by GAIA Movement and CPWF (Challenge Program on Water and Food) in collaboration with the International Water Management Institute, New Delhi.
- Mobilized communities for rainwater harvesting, sanitation, and sustainable agriculture, facilitating the construction of 20 rainwater structures and 40 toilets in Rajasthan villages.

## Project Officer – Rural Youth Training for Community Development

Humana People to People India | Oct 2001 – May 2005

- Trained rural youth to become Field Officers and Project Managers for community development initiatives.
- Designed and implemented small-scale income generation projects.
- Conducted capacity-building programs to enhance skills in environmental conservation and rural development.
- Led a three-month international training assignment for volunteers at One World Volunteer Institute, Hornsjo, Norway (Oct – Dec 2003).

## Agricultural Officer – Watershed Development

Tilothu Rural Uplift Club, Bihar | 1998 – 2000

- Developed and implemented watershed management programs for sustainable agriculture and water resource conservation at the block level.
- Engaged in community mobilization, training rural youth, and linking farmers with financial institutions for agri-livelihood support.

## KEY ACHIEVEMENTS

- Successfully secured and revived the HRDP project (Rs. 9+ crores) for 2024-2027.
- Led socio-economic empowerment programs for 2.5 lakh adolescent girls & young women in Jharkhand.
- Ensured Rs. 11.3 lakh subsidy disbursement for 76 biogas farmers, with an additional 100+ in pipeline for 2024-25.
- Mobilized and facilitated the construction of 20 rainwater structures and 40 toilets in Rajasthan.
- Developed and authored a book on Biogas – A Sustainable Solution for Rural India.
- Presented technical papers at International Groundwater Conference & CPWF Annual Stakeholders Workshop (Kathmandu).

## PROFESSIONAL AFFILIATIONS & PUBLICATIONS

- Member, Scientific Advisory Committee – Indo-Gangetic Basin, CPWF
- Member, District-Level Monitoring Committee for Artificial Groundwater Recharge, Rajasthan
- Author: Biogas – A Sustainable Solution for Rural India
- Presenter: International Groundwater Conference & CPWF-IGB Stakeholder Workshop
